11. Disclosure Notice

We would remind you that under English law, a business insured has a duty to disclose to the insurer every material circumstance which it knows or ought to know after reasonable search. This is the case before your cover is placed, when it is renewed and any time that it is varied. Your policy wording may also provide that this duty continues for the duration of the policy. A circumstance is material if it would influence an insurer's judgment in determining whether to take the risk and, if so, on what terms. If you are in any doubt whether a circumstance is material we recommend that it should be disclosed. Failure to disclose a material circumstance may entitle an insurer to impose different terms on your cover or proportionately reduce the amount of any claim payable. In some circumstances an insurer will be entitled to avoid the policy from inception and in this event any claims under the policy would not be paid.

12. Declaration

We declare that to the best of our knowledge and belief, the particulars and statements given in this application are accurate and complete. We declare that we have disclosed accurately every material circumstance which is known or ought to be known by senior management, or those responsible for arranging insurance, following a reasonable search. We understand that failure to disclose a material circumstance may entitle an insurer to impose different terms on our cover or proportionately reduce the amount of any claim payable. In some circumstances an insurer will be entitled to avoid the policy from inception and in this event any claims under the policy would not be paid. We accept that if we are in any doubt about whether a circumstance is material it should be disclosed. We agree that we have a continuing obligation to notify insurers of any material circumstances for the duration of the policy. We accept that deliberate or reckless breach of our duty of fair presentation may be referred to the relevant regulatory bodies.
